Questions?
If your brainstorming exercises have raised any questions, ask away!

You can contact me later at arkirkland@vassar.edu

Brainstorm #1: write down some ideas for digital collections that you could build with your classes using Omeka

Brainstorm #2: write down a list of the types of items your students might archive and display with Omeka, and where they might come from

Brainstorm #3: write down some ideas for the kinds of exhibits your students could create with Omeka
